MA End Exam

Following information should be taken into consideration:
My part of the exam will be held in English.

Defensio:

Questions relating to the MA thesis about the its relevance, methodology, findings and contribution(s)

2nd examiner:

- Students are asked:
  three (3) introductory questions that each require basic understanding of a. EU's decision-making processes/models; b. EU institutional actors; c. EU policies & follow-up questions of issues/topics singled out in the introductory questions, targeting increasingly sophisticated knowledge (current events may be included)

- The literature (online access available at univie library):
  - Costa, O., Brack, N. (2019) 'How the EU Really Works', Routledge: London (only chapters 6, 7, 8)
  - Cini, M., Perez-Solorzano Borragan, N. (2022) 'European Union Politics', 7th Edition, Oxford: OUP (only chapters 09-15, & 17-24)

- Grading:
  Very Good (Note 1) => All questions fully/clearly addressed: imparting of competent knowledge
  Good (Note 2) => All questions clearly addressed: no relevant omissions/errors
  Fair (Note 3) => All questions addressed in a clear but limited way: some relevant omissions
  Pass (Note 4) => Basic understanding of topics: answer waylaid by irrelevant information
  Fail (Note 5) => Failed to show basic understanding: most of the information given is irrelevant
